RE: State Licensure Survey

Dear Ms. Martin:

Thank you and your staff for the assistance and cooperation extended to the Acute Care team during the State Licensure Survey conducted March 27, 2018. The purpose of conducting the survey was to evaluate the facility's compliance with the North Carolina Rules Governing The Certification of Clinics For The Performance of Abortions.

As discussed in the exit conference, there were no deficiencies cited as a result of the survey.

Should you have questions concerning the investigation, please do not hesitate to call me at (919) 855-4620.

Sincerely,
