RE: State Licensure Survey

Dear Ms. Smith :

Thank you and your staff for the assistance and cooperation extended to the Acute Care team during the State Licensure Survey conducted August 26, 2022. The purpose of conducting the survey was to evaluate the facility's compliance with the North Carolina Rules for Licensing Certification of Clinics For The Performance of Abortions.

As discussed in the exit conference, there were no deficiencies cited as a result of the survey. The new license is enclosed.

Should you have questions concerning the investigation, please do not hesitate to call me at (919) 855-4620.

Sincerely,

Joyce Spinicchia, RN  
Nurse Consultant
