Dear Mr. Hance:

The Certificate of Need Section (CON Section) received your letter of October 15, 2014 regarding the above referenced proposal. Based on the CON law **in effect on the date of this response to your request**, the proposal described in your correspondence is not governed by, and therefore, does not currently require a certificate of need. However, please note that if the CON law is subsequently amended such that the above referenced proposal would require a certificate of need, this determination does not authorize you to proceed to develop the above referenced proposal when the new law becomes effective.

Re: North Carolina Adult Care Homes / Change of Indirect Ownership of Real Estate
Owners

Dear Mr. Smith:

This letter is to notify you of a proposed change to certain indirect owners, including the parent entity, of the real estate owners for the facilities listed in Exhibit A (the "Facilities"). There will be no change to the real estate entities themselves. This real estate transaction is scheduled to occur in early November 2014.

There will be no change to the ownership of the operators/licensees. The operators' and real estate owners' federal tax identification numbers will not change. The real estate transaction will not impact the licensees or the Facilities' day-to-day operations. The current lease arrangements will remain in place.

It is our understanding that no additional filings are required prior to this real estate transaction, and that we may proceed with consummating the transaction. We are requesting the issuance of a "No Review Letter" confirming our understanding.

Thank you for your attention to this matter. If you have any questions or require any additional information, please do not hesitate to contact me.

Sincerely,

ARNALL GOLDEN GREGORY LLP

Douglas M. Hance
