Dear Ms. Bordelon:

The Healthcare Planning and Certificate of Need Section, Division of Health Service Regulation (Agency) received your letter of June 19, 2018 regarding the above referenced change. Based on the CON law **in effect on the date of this response to your request**, the change described in your correspondence is not governed by, and therefore, does not currently require a certificate of need. However, please note that if the CON law is subsequently amended such that the above referenced change would require a certificate of need, this determination does not authorize you to proceed to develop the above referenced proposal when the new law becomes effective.

However, you need to contact the Agency's Acute and Home Care Licensure and Certification Section to determine if they have any requirements regarding the above referenced change.

It should be noted that this determination is binding only for the facts represented in your correspondence. Consequently, if there are changes in the facts provided in your correspondence referenced above, a new determination as to whether a certificate of need is required would need to be made by this office. Changes in a project include, but are not limited to: (1) increases in the capital cost; (2) acquisition of medical equipment not included in the original cost estimate; (3) modifications in the design of the project; (4) change in location; and (5) any increase in the number of square feet to be constructed.

**ADDRESS CHANGE**

Dear Ms. Rupp:

Please be advised that the address for the provider referenced above has changed; however, the provider did not relocate. It has come to our attention that the street name where the agency is located has been renamed. A community college in the area requested renaming of a portion of the pertinent roadway in the hopes that it would bring more attention to the school. After being approved by the appropriate governmental jurisdictions, a resolution was passed approving the change in the street name for a certain segment of its length. Accordingly, please amend your records to reflect the following physical address:

**OLD ADDRESS**

2270 US Highway 74A Bypass, Suite 345  
Forest City, NC 28043-2434

**NEW ADDRESS**

2270 College Avenue, Suite 345  
Forest City, NC 28043-246
