Dear Mr. Pitts:

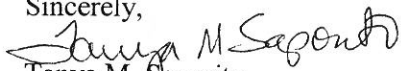

The Healthcare Planning and Certificate of Need Section, Division of Health Service Regulation (Agency) received your correspondence regarding the above referenced proposal. Based on the CON law **in effect on the date of this response to your request**, the proposal described in that correspondence is not governed by, and therefore, does not currently require a certificate of need. If the CON law is subsequently amended such that the above referenced proposal would require a certificate of need, this determination does not authorize you to proceed to develop the above referenced proposal when the new law becomes effective.

You may need to contact the Agency's Mental Health Licensure Section to determine if they have any requirements for development of the proposed project.

This determination is binding only for the facts represented in your correspondence. If changes are made in the project or in the facts provided in the correspondence referenced above, a new determination as to whether a certificate of need is required would need to be made by this office.

Please do not hesitate to contact this office if you have any questions.

Sincerely,

  
Tanya M. Saporito  
Project Analyst

Dear Ms. Frisone,

I have been working with Stephanie Gilliam regarding converting 34 of our 44 .6000 beds to .3400 beds. She asked that I have you send me a letter and copy them that this does not require any action on the part of CON. Please send to address below. If you need anything else from me please let me know. Thank you.

Thanks,
