No Review Request – Add HHD Modality to Existing In-Center Facility

Facility: Maxton Dialysis Center
County: Robeson
FID#: 140334

Dear Ms. Saporito:

We are requesting a No Review Determination which will allow Maxton Dialysis Center to add the Home Hemodialysis (HHD) modality to the facility. Maxton Dialysis Center has identified two ESRD patients who want to change from their current modality to HHD. Based on conversations with the nephrologists who admit patients to the facility, additional patients choosing HHD are anticipated.

We are not seeking to add any additional dialysis stations to the facility with this request. Maxton Dialysis Center has a Registered Nurse who has been trained in the HHD modality and there is adequate space in the facility to accommodate HHD training and support services.

The facility will continue to offer in-center dialysis. This change will not adversely impact the patient population of Maxton Dialysis Center.

The facility would like to be able to offer these services as soon as possible, so we appreciate your prompt review of this request. You can contact me at 704-323-8384 if you have any questions or need more information.

Sincerely,

A handwritten signature in black ink that reads "Esther N. Fleming".
