Date of Request: February 8, 2023
Facility Name: Kenansville Opco LLC
Type of Facility: NH
FID #: 923212
Acquisition by: Kenansville Propco LLC

Dear Ms. Horowicz:

The Healthcare Planning and Certificate of Need Section, Division of Health Service Regulation (Agency) determined that the project described above is exempt from certificate of need (CON) review in accordance with G.S. 131E-184(a)(8). Therefore, the above referenced business may proceed to acquire the health service facility identified above (formerly Kenansville Health and Rehabilitation Center) without first obtaining a CON. The facility will now be operated by Yad Healthcare. The Agency’s determination is limited to the question of whether the above referenced business would have to obtain a CON if the current owners of the health service facility do in fact sell it to the business listed above. Note that pursuant to G.S. 131E-181(b): “A recipient of a certificate of need, or any person who may subsequently acquire, in any manner whatsoever permitted by law, the service for which that certificate of need was issued, is required to materially comply with the representations made in its application for that certificate of need.”

If the business listed above does acquire the facility, you should contact the Agency’s Nursing Home Licensure and Certification Section to obtain instructions for changing ownership of the existing facility.

It should be noted that this Agency's position is based solely on the facts represented by you and that any change in facts as represented would require further consideration by this Agency and a separate determination regarding whether a certificate of need would be required. If you have any questions concerning this matter, please feel free to contact this office.

Sincerely,

Gregory F. Yakaboski

Good AM,

We applied for CHOW licensure for two facilities in North Carolina.
The brick-and-mortar ownership will be changing as well.

Can you advise what you need from me to get the ball rolling?

Thank you so much!
