Any deficiency statement ending with an asterisk (\*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.

Based on observations and staff interviews the facility failed to be sure food preparation equipment was free of debris with 19 of 19 large baking sheet pans.</p> <p>The facility was cited for F371 during the 12/2014 recertification survey. The facility failed to remove 1 of 3 outdated gallons of milk in the walk in refrigerator, failed to discard 1 of 1 outdated buttermilk in the reach in refrigerator, failed to label 2 of 2 large plastic bags of salad mix in the walk in refrigerator and failed to date and label 1 of 1 frozen bags of food product in the walk in freezer.</p> <p>An interview was conducted with the administrator on 10/8/2015 who reviewed their QA process, committee members, frequency of meetings and subcommittee meetings. The Administrator indicated that they had addressed the issues cited 12/2014 by sending 7 staff to ServSafe classes and were planning to send 7 more staff. They had monitored the labeling of food products and monitored for expirations dates on food products and there was improvement. The current deficiency identified had not been addressed or monitored in POC from the 12/2014 deficiency or specifically identified as an issue by the QA committee.</p> | F 520   | <p>accomplished for those residents having the potential to be affected by the same deficient practice</p> <p>Using the State Health Department's Food Establishment Inspection Report checklist as a tool, QAPI facilitator will assign members to an assigned area of responsibility to inspect at least weekly x 90 days. The completed report will be submitted to the Administrator weekly x 90 days and a monthly compliance report to QAPI committee quarterly x 4.</p> <p>3. Address what measures will be put into place or systemic changes made to ensure that the deficient practice will not occur</p> <p>Dietary Supervisor and cooks will continue to inspect daily. The Certified Dietary Manager will inspect at least weekly and ongoing. The Certified Dietary Manager will report to Administrator compliance weekly x 90 days and then monthly thereafter. Certified Dietary Manager and Administrator will inspect kitchen monthly x 3 months and Administrator will check at least randomly and quarterly thereafter. Integrate with QAPI:</p> <p>Compliance reports will be submitted and monitored by QAPI at least quarterly x 4</p> <p>4. Include dates when corrective action will be completed</p> <p>Corrective action will be completed by 11/5/2015</p> |                      |   |

| <b>F 156</b>   | <p>483.10(b)(5) - (10), 483.10(b)(1) NOTICE OF RIGHTS, RULES, SERVICES, CHARGES</p> <p>The facility must inform the resident both orally and in writing in a language that the resident understands of his or her rights and all rules and regulations governing resident conduct and responsibilities during the stay in the facility. The facility must also provide the resident with the notice (if any) of the State developed under §1919(e)(6) of the Act. Such notification must be made prior to or upon admission and during the resident's stay. Receipt of such information, and any amendments to it, must be acknowledged in writing.</p> <p>The facility must inform each resident who is entitled to Medicaid benefits, in writing, at the time of admission to the nursing facility or, when the resident becomes eligible for Medicaid of the items and services that are included in nursing facility services under the State plan and for which the resident may not be charged; those other items and services that the facility offers and for which the resident may be charged, and the amount of charges for those services; and inform each resident when changes are made to the items and services specified in paragraphs (5)(i)(A) and (B) of this section.</p> <p>The facility must inform each resident before, or at the time of admission, and periodically during the resident's stay, of services available in the facility and of charges for those services, including any charges for services not covered under Medicare or by the facility's per diem rate.</p> <p>The facility must furnish a written description of legal rights which includes:<br/>A description of the manner of protecting personal funds, under paragraph (c) of this section;<br/>A description of the requirements and procedures for establishing eligibility for Medicaid, including the right to request an assessment under section 1924(c) which determines the extent of a couple's non-exempt resources at the time of institutionalization and attributes to the community spouse an equitable share of resources which cannot be considered available for payment toward the cost of the institutionalized spouse's medical care in his or her process of spending down to Medicaid eligibility levels.<br/>A posting of names, addresses, and telephone numbers of all pertinent State client advocacy groups such as the State survey and certification agency, the State licensure office, the State ombudsman program, the protection and advocacy network, and the Medicaid fraud control unit; and a statement that the resident may file a complaint with the State survey and certification agency concerning resident abuse, neglect, and misappropriation of resident property in the facility, and non-compliance with the advance directives requirements.</p> <p>The facility must inform each resident of the name, specialty, and way of contacting the physician responsible for his or her care.</p> <p>The facility must prominently display in the facility written information, and provide to residents and applicants for admission oral and written information about how to apply for and use Medicare and Medicaid benefits, and how to receive refunds for previous payments covered by such benefits.</p> |  |  |

Any deficiency statement ending with an asterisk (\*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of

The above isolated deficiencies pose no actual harm to the residents

| <b>F 156</b> | <p>Continued From Page 1</p> <p>This REQUIREMENT is not met as evidenced by:<br/>Based on record review and staff interview the facility failed to provide a Medicare Non-Coverage letter and rights to appeal for 1 of 3 sampled residents who were discharge from Medicare services (Resident #210).<br/>The findings include:</p> <ol style="list-style-type: none"> <li>1. A record review of the Notice of Medicare Provider Non-Coverage form revealed Resident #210 was not provided notification of Medicare Non-Coverage by the facility and given the right to appeal. The facility was not able to verify through documentation that Resident #210 received notification of Medicare Non-Coverage in writing.<br/>An interview with the Social Worker on 10/08/15 at 11:35 AM stated she was responsible for providing the Medicare Non-Coverage notices to residents and families. During the interview, she stated Resident #210 should have been notified at least a few days prior to ending of Medicare services and given the right to appeal. She further stated the expectation was for Medicare Non-Coverage forms to be issued timely and residents given the right to appeal.<br/>Interview with the Administrator on 10/08/15 at 1:50 PM stated the expectation was for Medicare Non-Coverage notices to be provided to residents prior to the ending of the Medicare services to notify residents of their right to appeal.</li> </ol> |
