

Chapter 17: Intermediate Care Facilities For the Mentally Retarded

Need Determinations

The Division of Health Service Regulation's basic position continues to be that additional ICF/MR beds in North Carolina is in conflict with the experience and practice of surrounding states that indicate that North Carolina has a more than adequate number of ICF/MR beds in comparison to other southeastern states.

Through the standard methodology, it is determined that there is no need for additional ICF/MR beds anywhere else in the state.
