

## CHAPTER 13: Hospice Services

The following are draft materials related to projected Hospice Service Need Determinations for the proposed 2011 Plan

Table 13A: Hospice Data by County of Patient Origin.

Table 13B: 2012 Hospice Home Care Office Need Projections for the 2011 Plan

Table 13C: Year 2014 Hospice Inpatient Bed Need Projections for the 2011 Plan.

Table 13D Hospice Inpatient Facility Inventory for the 2011 Plan

Table 13E Hospice Residential Facility Inventory

Table 13F Year 2012 New Hospice Home Care Office Need Determination

Table 13G Year 2014 Single County New Hospice Inpatient Bed Need Determination

Based on application of the current methodology and utilization information, there could be need determinations in several counties.

Note: Figures are entered from the 2010 Home Health Services License Renewal Applications. Data were self reported and are not verified by the Medical Facilities Planning Section. Further, the data provided on the following pages is preliminary and is subject to change throughout the planning year.
