

CHAPTER 17: Intermediate Care Facilities for the Mentally Retarded

The following are draft materials related to projected Intermediate Care Facilities for the Mentally Retarded Bed Need Determinations for the proposed 2011 Plan

Table 17A Inventory of ICF/MR Facilities and Beds

Table 17B Thomas S. Bed Inventory

Table 17C Beds Excluded From the ICF/MR Inventory

Based on application of the current methodology and utilization information, there is determined to be a lack of need for additional ICF/MR Facilities at this time.

Note: Figures are entered for the 2011 Plan from the North Carolina Department of Health and Human Services, Division of Health Service Regulation, Certification Section and Certificate of Need. Further, the data provided on the following pages is preliminary and is subject to change throughout the planning year.
