

Open Access to Physicians

In the CON process POSC agreed that the facility would provide open access to all ENT physicians in the surrounding area. Phone calls were made to the area physicians as well as an invitation to the POSC open house. Only one of the surrounding area physicians took advantage of the offer. A copy of the POSC professional staff credentials policy is attached.

Physician Responsibilities

Name of Each Physician Affiliated with the Facility during the Reporting Period	Does the Physician have any Ownership Interest in the Facility?
