Dear NC DHHS,

Thank you for the opportunity to provide written comments in opposition to the petition submitted by LeadingAge NC.

As a licensed professional and resident of North Carolina, I oppose the proposed SHCC petition by the CCRC's LeadingAge of NC to be exempted for Home Health CON. There are several concerns that could impact patient care, and the regulatory management of Home Health and Hospice care in the state of North Carolina. Please consider my opinion and opposition to the petition.

Again Thank You,

**Robin Pierce PT, DPT**
