Good afternoon,

The Education Staff of the North Carolina Office of EMS would like to request the following change in .0502, .0601 and .0602. Under the stated rules, program coordinator should be changed to reflect program director.

While the North Carolina Office of EMS uses program coordinator and program director interchangeably, the Committee on Accreditation of Educational Programs for Emergency Medical Services Professions (CoAEMSP) and the Committee on Accreditation of Allied Health and Emergency Personnel (CAAHEP) utilize program director. We feel this requested change will provide consistency in titles, while alleviating confusion for our EMS program directors and EMS institutions.

If there are any concerns or questions, please feel free to email [oemseducation@dhhs.nc.gov](mailto:oemseducation@dhhs.nc.gov).
