Dear Ms. Haislip,

I reviewed your recent letter asking for support from our School for your application to construct and operate a new 60-bed nursing facility in Johnston County. The School of Nursing is located in Chapel Hill. We do not have the data to address the needs of Johnston County. However, should you establish a business in the area we would be delighted to speak with your organization regarding potential clinical placements of our students.

I wish you success in your endeavors.

Sincerely,

A handwritten signature in cursive script that reads "Kristen M. Swanson".
