Ms. Martha Frisone, Assistant Chief, Certificate of Need
Healthcare Planning and Certificate of Need Section
Division of Health Service Regulation
2704 Mail Service Center
Raleigh, NC 27699-2704

Dear Ms. Frisone:

I understand that Surgical Center for Dental Professionals of North Carolina ("SCDP") intends to file a Certificate of Need application on April 15, 2016 seeking approval from the State to develop freestanding ambulatory surgery centers ("ASC") dedicated to the provision of dental procedures for patients requiring sedation. The proposed dental ASC will enable the dental professionals in our community to perform dental procedures with sedation in a state-of-the-art facility committed to the highest of quality and safety standards.

Nobel Biocare is the pioneer in the field of innovative implant-based dental restorations - from single-tooth to fully edentulous indications. Our products and treatment concepts are designed to give patients fully functional and natural-looking restorations that aspire to last a lifetime. Please accept this letter as documentation that Nobel Biocare currently supplies SCDP with dental implant products and related services and believes it will continue to do so in the future.

If any further information is necessary for this Certificate of Need application, please feel free to contact me.

Sincerely,
