Facility: Carrolton Home Care, Inc. d/b/a Community Home Care and Hospice, Siler City  
Project Description: Relocating Hospice branch office to 100-110 Village Lake Road approximately 2.15 miles from current location  
County: Chatham  
FID #:

Dear Ms. Gunter:

The Certificate of Need Section (CON Section) received your letter(s) of September 27, 2012 regarding the above referenced proposal. Based on the CON law **in effect on the date of this response to your request**, the proposal described in your correspondence is not governed by, and therefore, does not currently require a certificate of need. However, please note that if the CON law is subsequently amended such that the above referenced proposal would require a certificate of need, this determination does not authorize you to proceed to develop the above referenced proposal when the new law becomes effective.

It should be noted that this determination is binding only for the facts represented by you. Consequently, if changes are made in the project or in the facts provided in your correspondence referenced above, a new determination as to whether a certificate of need is required would need to be made by the Certificate of Need Section. Changes in a project include, but are not limited to: (1) increases in the capital cost; (2) acquisition of medical equipment not included in the original cost estimate; (3) modifications in the design of the project; (4) change in location; and (5) any increase in the number of square feet to be constructed.

Denise M. Gunter

October 5, 2012

In addition, you should contact the Medical Facilities Planning Section, DHSR to determine if they have any requirements for development of the proposed project. Please contact the CON Section if you have any questions. Also, in all future correspondence you should reference the Facility I.D. # (FID) if the facility is licensed.

Sincerely,

F. Gene DePorter, Project Analyst

Craig R. Smith, Chief  
Certificate of Need Section

Re: No Review for Carrolton Home Care, Inc. d/b/a Community Home Care and Hospice, Siler City, North Carolina; HOS2983 (Chatham County/Health Service Area IV)

Dear Craig:

Pursuant to N.C. Gen. Stat. § 131E-184(a), I am writing to advise that Carrolton Home Care, Inc. d/b/a Community Home Care and Hospice, located at 1414 E. Eleventh St., Siler City, North Carolina 27344 (the "Current Location") is relocating this hospice branch office to 100-110 Village Lake Road, Building 1, Suite 108, Siler City, NC 27344 (the "New Location"). The New Location is approximately 2.15 miles and 7 minutes from the Current Location. See Exhibit A. A January 13, 2005 letter from the CON Section confirming that the establishment of this branch office does not require a CON is attached as Exhibit B. This relocation does not involve any activities that would implicate the definition of "new institutional health service" as that term is defined in N.C. Gen. Stat. § 131E-176(16).

The relocation of this branch office is scheduled to occur on November 1, 2012. In advance of that date, I would appreciate your written confirmation that the proposed relocation does not require a CON.

Thank you for your time, and if you have any questions, please do not hesitate to let me know.

Craig R. Smith

RE: No Review / Carroton Home Care, Inc. d/b/a Community Home Care and Hospice / Open a hospice branch office of the Cumberland County certified hospice office to be located in Chatham County

Dear Mr. Hale:

In response to your December 23, 2004 letter, the proposal described in your correspondence is not regulated under the Certificate of Need Law and, therefore, does not require a certificate of need. This is based on your representations that the branch offices will be used for hospice services only. However, you should contact the Licensure and Certification Section of the Division of Facility Services to determine their requirements for development of the proposed project.

It should be noted that this determination is binding only for the facts represented by you. Consequently, if changes are made in the project or in the facts provided in the correspondence referenced above, a new determination as to whether a certificate of need is required would need to be made by the Certificate of Need Section. Changes in a project include, but are not limited to: (1) increases in the capital cost; (2) acquisition of medical equipment not included in original cost estimate; (3) modifications in the design of the project; (4) change in location; and (5) any increase in the number of square feet to be constructed.

Please contact this office if you have any questions. Also, in all future correspondence you should reference the Facility I.D.# (FID) if the facility is licensed.
