Dear MS. Moffitt:

The Certificate of Need Section (CON Section) received your letter of October 2, 2014 regarding the above referenced proposal. Based on the CON law **in effect on the date of this response to your request**, the proposal described in your correspondence is not governed by, and therefore, does not currently require a certificate of need. However, please note that if the CON law is subsequently amended such that the above referenced proposal would require a certificate of need, this determination does not authorize you to proceed to develop the above referenced proposal when the new law becomes effective.

Moreover, you need to contact the Acute and Home Care Licensure and Certification Section of the Division of Health Service Regulation to determine if they have any requirements for development of the proposed project.

It should be noted that this determination is binding only for the facts represented by you. Consequently, if changes are made in the project or in the facts provided in your correspondence referenced above, a new determination as to whether a certificate of need is required would need to be made by the Certificate of Need Section. Changes in a project include, but are not limited to: (1) increases in the capital cost; (2) acquisition of medical equipment not included in the

**RE: CON Request for License HC0397**

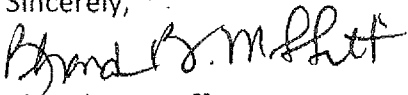

Dear Ms. Frisone and Ms. Inman:

Our agency, Hospice of Randolph County, Inc., is currently operating both our homecare hospice division (Hospice of Randolph County, Inc.) and our home health division (CareBridge Home Health) under License HC0397. Please note that we also own an inpatient facility which operates as The Randolph Hospice House under License HOS4307.

In September, 2014, we were advised by Anita Laumann of the Licensure Division to obtain your division's written approval before we proceed with the filing of a Form 855A to separate our agency's two homecare divisions (and subsequently operate under two different licenses) to make sure our effort was not a CON-regulated issue. [This action will not impact our inpatient facility under License HOS4307, as it is a stand-alone operation at another physical address.]

Therefore, per our 10/2/14 telephone discussion with Ms. Inman, we are submitting this "letter of no review" in order to obtain your written determination that our actions as noted above are not a CON-regulated issue.

Please let us know if there are any questions regarding our request. We appreciate your prompt attention to this matter.

Sincerely,  
  
Rhonda B. Moffitt
