Dear Mr. Trefzger:

The Healthcare Planning and Certificate of Need Section, Division of Health Service Regulation (Agency) received your letter of March 20, 2015 regarding the above referenced proposal. Based on the CON law **in effect on the date of this response to your request**, the proposal described in your correspondence is not governed by, and therefore, does not currently require a certificate of need. However, please note that if the CON law is subsequently amended such that the above referenced proposal would require a certificate of need, this determination does not authorize you to proceed to develop the above referenced proposal when the new law becomes effective.

Moreover, you need to contact the Agency's Construction and Adult Care Licensure Section Sections to determine if they have any requirements for development of the proposed project.

It should be noted that this determination is binding only for the facts represented in your correspondence. Consequently, if changes are made in the project or in the facts provided in your correspondence referenced above, a new determination as to whether a certificate of need is required would need to be made by this office. Changes in a project include, but are not limited to: (1) increases in the capital cost; (2) acquisition of medical equipment not included in the original cost estimate; (3) modifications in the design of the project; (4) change in location; and (5) any increase in the number of square feet to be constructed.

Please contact this office if you have any questions. Also, in all future correspondence you should reference the Facility ID # (FID) if the facility is licensed.

Sincerely,

Re: No Review Notice for Somerset Court of Goldsboro, a 60-bed adult care home located at 603 Lockhaven Court, Goldsboro, Wayne County, North Carolina (FID# 971260)

FID # 971260

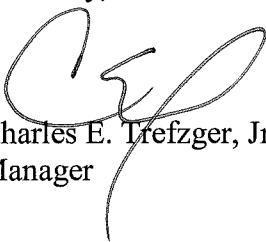

Dear Ms. Frisone:

This letter is to notify you that Salem Senior Housing, Inc., the current Licensee of the Goldsboro (Wayne County) facility, currently known as Somerset Court of Goldsboro (hereafter "the Facility"), will be relinquishing its license. JFC Meridian Opco - Goldsboro, LLC, is currently completing the licensure application necessary to become the new Licensee. Subsequent to this transaction, the Facility will continue to operate under the name Somerset Court of Goldsboro.

The purpose of this letter is to provide prior notice of this change, which does not fall under the purview of certificate of need ("CON") review. Although N.C. Gen. Stat. § 131E-184 does not explicitly exempt a change of licensee from review, it has been the opinion of the Certificate of Need Section ("the Agency") that such changes are not subject to review, garnering a "no-review" status.

Based on the foregoing information, we hereby request the Agency's confirmation that the proposal described above does not require CON review. If you require additional information to consider this request, please contact us at the number below as soon as possible. We thank you for your consideration of this request.

Sincerely,

Charles E. Trefzger, Jr.
Manager
