Dear Ms. Cohen:

The Healthcare Planning and Certificate of Need Section, Division of Health Service Regulation (Agency) received your letter of December 16, 2016 regarding the above referenced proposal. Based on the CON law **in effect on the date of this response to your request**, the proposal described in your correspondence is not governed by, and therefore, does not currently require a certificate of need. However, please note that if the CON law is subsequently amended such that the above referenced proposal would require a certificate of need, this determination does not authorize you to proceed to develop the above referenced proposal when the new law becomes effective.

However, you need to contact the Agency's Acute and Home Care Licensure and Certification Section to determine if they have any requirements for development of the proposed project.

It should be noted that this determination is binding only for the facts represented in your correspondence. Consequently, if changes are made in the project or in the facts provided in your correspondence referenced above, a new determination as to whether a certificate of need is required would need to be made by this office. Changes in a project include, but are not limited to: (1) increases in the capital cost; (2) acquisition of medical equipment not included in the original cost estimate; (3) modifications in the design of the project; (4) change in location; and (5) any increase in the number of square feet to be constructed.

Please contact this office if you have any questions. Also, in all future correspondence you should reference the Facility ID # (FID) if the facility is licensed.

Sincerely,

Celia C. Inman

Re: Brookdale Home Health Winston
7900 Triad Center Drive, Suite 250
Greensboro, NC 27409
License No. HC0395

Dear Ms. Frisone:

Brookdale Home Health Winston, License No. HC0395 would like to open a work station on or about January 15, 2017 at the following location:

3828 Lawndale Drive
Greensboro, NC 27455

The space will primarily be used to store supplies. This will allow the staff to pick up and drop off supplies closer to where the patients live. At times, staff may use the space to complete reports and to communicate with physicians and families. The parent office will maintain personnel records and client records. Intake for all referrals, as well as billing will be handled at the parent office.

We have also sent this notification to Nancy Joyce at the Acute and Home Care license and Certification Section.

We look forward to receiving your determination. Please contact me at 954-344-5220 or email me at rcohen1@brookdale.com with any questions you might have.

Sincerely,

Robin A. Cohen
