Dear Ms. Godwin:

The Healthcare Planning and Certificate of Need Section, Division of Health Service Regulation (Agency) received your correspondence regarding the above referenced proposal. Based on the CON law **in effect on the date of this response to your request**, the proposal described in that correspondence is not governed by, and therefore, does not currently require a certificate of need. If the CON law is subsequently amended such that the above referenced proposal would require a certificate of need, this determination does not authorize you to proceed to develop the above referenced proposal when the new law becomes effective.

You may need to contact the Agency's Construction and Acute and Home Care Licensure and Certification Sections to determine if they have any requirements for development of the proposed project.

This determination is binding only for the facts represented in your correspondence. If changes are made in the project or in the facts provided in the correspondence referenced above, a new determination as to whether a certificate of need is required would need to be made by this office.

Good morning Martha,

Attached is the CFVHS request for a "No Review" determination for a procedure room in the surgical suite at CFV Hoke Hospital. As you may recall, we discussed this last month and we are now in the process of moving forward.

Thanks for your advice on this project.

Have a great day,
Sandy

Re: Cape Fear Valley Hoke Hospital
Multipurpose Procedure Room Exemption Request

Dear Ms. Frisone:

Cape Fear Valley Hoke Hospital (CFV Hoke) proposes to develop a multi-purpose procedure room in the surgical suite at CFV Hoke Hospital. The procedure room will be located in existing space within the existing hospital. Total cost of the project is well under the \$2,000,000 CON threshold. The room will be used to perform minor procedures by the CFV Hoke medical staff, such as pain injections previously performed in the operating rooms at CFV Hoke.

CFVHS requests a determination that development of the proposed multipurpose procedure room is exempt from CON review in accordance with North Carolina G.S. 131E-184(1)(9). CFVHS will pursue a Certificate of Need for any NIHS developed in the building in the future.

Please let me know if I can provide further information for your review.

Sincerely,
