Re: NC Adult Care Home / Internal Restructuring / Indirect Ownership Changes
ARHC ATASHNC01 TRS, LLC (License #: HAL-011-338)
dba Arbor Terrace of Asheville
3199 Sweeten Creek Road
Asheville, NC 28803

Dear Ms. Frisone:

This letter is to inform you of proposed changes involving the above-referenced facility (the "Facility"), which will result in new indirect owners multiple levels above the operating entity. These proposed changes are the result of an internal restructuring of the operator for the Facility (the "Restructuring"). The Restructuring is solely an internal Restructuring and **will not result in any changes to the ultimate ownership, control, or management of the Facility.** In addition, the operator's federal tax identification number will not change and there will be no changes to the Facility's staff or day-to-day operations as a result of the Restructuring. A "before-and-after" structure chart showing the current structure and the proposed structure is enclosed with this letter as **Attachment A** for your reference.

It is our understanding that the Restructuring described above and in the enclosed structure chart does not require any additional filings and **we respectfully request the issuance of an "Exemption or No Review Letter" confirming our understanding.**

Thank you for your attention to this matter. If you have any questions or require any additional information, please do not hesitate to contact me.

Ms. Martha Frisone
