RE: Alliance Healthcare Services - Written Notice for Exemption from CON Review for Temporary Replacement of Mobile MRI Scanner ESP 66 Serial # 1M9A3A820YH022324
CON Project ID # G-7038-04 (Alamance, Chatham and Mecklenburg Counties)

Dear Ms. Frisone:

Alliance Healthcare Services (Alliance) has an need to again temporarily replace mobile MRI scanner ESP 66 Serial # 1M9A3A820YH022324 that is assigned to CON Project ID # G-7038-04. ESP 66 requires scheduled maintenance repairs. This MRI scanner is currently utilized at the UNC Burlington, UNC Chatham and CEENTA in Charlotte. This MRI scanner has been properly reported in the 2020 MRI Inventory Forms to DHSR Healthcare Planning.

Please accept this notice of exemption to temporarily replace the above unit with VOYA 1, Serial Number 1S9FA482941182695. This replacement MRI unit is already owned by Alliance and is typically used to serve host sites in other states. When this temporary replacement unit (VOYA 1) is no longer needed to serve as a temporary replacement for ESP 66 it will be removed from service in North Carolina.

This letter provides justification and written notice regarding the replacement equipment in accordance with NCGS 131 E-184. Alliance Healthcare Services also provides documentation that the replacement equipment conforms to the Certificate of Need laws and Administrative rules: G.S. 131E-184 (a) (7) Exemptions from Review to provide replacement equipment and 10A NCAC 14C.0303 Replacement Equipment Administrative Rules.

Overview

The existing mobile MRI scanner requires temporary replacement for several reasons:

- 1) The existing ESP 66 requires repairs due to high utilization.
- 2) Service to the existing host site will be disrupted if a temporary replacement mobile MRI scanner is not provided.
- 3) Patient diagnosis and treatment at the host sites will be disrupted without access to MRI.
- 4) Alliance has no available capacity on other MRI scanners in North Carolina to provide coverage for the unit that needs to be repaired.

Alliance recognizes the need to provide high quality, cost effective, and reliable mobile MRI scanner service. The host site that will be served by the replacement mobile MRI scanner is:

University of North Carolina
1225 Huffman Mill Road
Burlington, NC 27215
Alamance

UNC Chatham Hospital
475 Progress Blvd.
Siler City, NC 27344
Chatham

CEENTA
6035 Fairview Road
Charlotte, NC 28210
Mecklenburg
