Project Description: Expand hospice services to Brunswick County
County: Onslow

Dear Mr. Stockett:

The Healthcare Planning and Certificate of Need Section, Division of Health Service Regulation (Agency) received your correspondence regarding the project described above. Based on the representation in your request and the CON law in effect on the date of this response to your request, the project as described is not governed by, and therefore, does not currently require a certificate of need.

This determination is binding only for the facts represented in your correspondence. If changes are made in the project or in the facts provided in the correspondence referenced above, a new determination as to whether a certificate of need is required would need to be made by this office. As a reminder, it is unlawful to offer or develop a new institutional health service without first obtaining a certificate of need. The Department reserves the right to impose sanctions, including civil penalties and the revocation of a license, upon any entity that offers or develops a new institutional health service without first obtaining a certificate of need.

Please do not hesitate to contact this office if you have any questions.

Sincerely,

Ena Lightbourne

Hi Ms. Emanuel,

I have attached 4 letters requesting for Cardinal Hospice to serve additional counties. Cardinal Hospice has requested to expand services counties several times in the last few years. Each time our requests were approved. In the past I had sent the requests to Inga Gaines with the Acute & Home Care License and Certification Section. When I sent the requests for additional counties most recently, Ms. Gaines informed me that I most now make these requests to the CON Section and provided your contact information.

Please let me know if you need any addition information or have any questions and thank you so much for your assistance!

Respectively,
