**Project Description:** Change the facility name to The Blair Memory Care Center of Cary  
**County:** Wake

Dear Christopher Barnes:

The Healthcare Planning and Certificate of Need Section, Division of Health Service Regulation (Agency) received your correspondence regarding the project described above. Based on the representation in your request and the CON law **in effect on the date of this response to your request**, the project as described is not governed by, and therefore, does not currently require a certificate of need. If the CON law is subsequently amended such that the above referenced proposal would require a certificate of need, this determination does not authorize you to proceed to develop the above referenced proposal when the new law becomes effective.

This determination is binding only for the facts represented in your correspondence. If changes are made in the project or in the facts provided in the correspondence referenced above, a new determination as to whether a certificate of need is required would need to be made by this office. **As a reminder, it is unlawful to offer or develop a new institutional health service without first obtaining a certificate of need. The Department reserves the right to impose sanctions, including civil penalties and the revocation of a license, upon any entity that offers or develops a new institutional health service without first obtaining a certificate of need.**

Please do not hesitate to contact this office if you have any questions.

Sincerely,

Crystal Kearney, Project Analyst

Re: **No Review Request in Reference to Proposed Name Change Associated for Project HA-3366-RAJ and FID No. 920199**

Ms. Mitchell and Ms. Pittman:

Cary Health Holdings, LLC (the “Applicant”) has completed the construction and conversion from 50 AL beds/30 SCU beds to a total of 80 SCU beds located at 809 W Chatham Street, Cary North Carolina, 27511 (the “Project” or “Facility”). The Facility is currently known as “*Chatham Commons*”.

Applicant respectfully requests that the name be changed from “*Chatham Commons*” to “*The Blair Memory Care Center of Cary*”. This request should only affect the name change of this Facility.

In accordance with the North Carolina General Statutes, this letter is intended to serve as prior written notice to the Agency of the proposed name change for the Facility. Furthermore, it is my understanding that the proposed name change should not entail any additional filings. Therefore, the Applicant respectfully requests that the Agency issue a “No Review” finding for this matter.

Please let us know if the Agency needs additional information. We thank you in advance for your consideration of this request.

Sincerely,

/s/ Christopher Barnes

Convert 50 ACH Beds to SCU Beds for total of 80 SCU Beds  
Cary (Wake)

Dear Mr. White:

The referenced project was inspected on January 8, 2025, by Chris Sluder and Tod Hancock. We have notified the Adult Care Licensure Section that this project to convert 50 Adult Care beds to SCU beds for a total of 80 SCU beds was recommended for use as of January 8, 2025. This does not change the overall capacity of the facility, which is 80 beds total. This completes the documentation needed for us to close out our files for this project.

Please use our Project No. HA-3366-RAJ and FID No. 920199 on all correspondence related to this project. If you have any questions or if we can be of any further assistance, please contact our office at the telephone number or e-mail address listed below.
