The Maintenance Director immediately surveyed the remainder of the egress corridors of the building and made any corrections as needed upon discovery. The facility will immediately conduct an in service with Department Managers and staff to educate on importance of keeping exit corridors clear of obstructions at all time. The Maintenance Director, Facility Administrator and Department Manage will maintain observations during daily rounds with any negative findings immediately reported to the Facility Administrator. Daily reports will be given at morning stand up meetings for the nethirty days with an overall summary reported to and discussed during the nethree monthly Safety Committee meetings. Reviews will then continue quarterly until next annual survey.	es. rs en ext
