Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 154 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.

Preparation and/or execution of this plan of correction does not constitute admission or agreement by the provider of the plan of correction or of its conditions set forth in the state regulations. The plan of correction is prepared and/or executed solely because it is required by the provisions of federal and state law.

F 157	Continued From page 2 with Resident #209 during the weekend of 01/11/13 through 01/13/13. Nurse #1 stated they had not been able to locate Resident #209's face sheet and therefore did not have contact information for Resident #209's responsible party. The interview further revealed Resident #209's responsible party was not contacted after any of the 3 falls that had occurred during the weekend. Interview with the Director of Nursing on 01/31/13 at 1:27 PM revealed her expectation was that nurses would notify the physician and the responsible person of a resident who falls within 24 hours of each fall.	F 157		
F 170 SS=C	483.10(i)(1) RIGHT TO PRIVACY - SEND/RECEIVE UNOPENED MAIL The resident has the right to privacy in written communications, including the right to send and promptly receive mail that is unopened. This REQUIREMENT is not met as evidenced by: Based on resident and staff interviews, the facility failed to deliver mail on Saturday for residents in the facility. The findings are: Resident #84 was admitted to the facility 09/13/2006. The latest Minimum Data Set dated 01/02/2013 assessed the resident with no short or long-term memory problems. On 01/29/2013 at 9:15 AM during an interview the Resident Council President, Resident #84,	F 170	170, The US Post Office of Lincolnton has reported to the Administrator that mail has not ever been delivered to the facility and that mail delivery to the facility will start Monday through Saturday beginning Tuesday 2-20-13. The Post Master also stated that effective August 5th, 2013, mail will only be delivered to the facility Monday through Friday as the US Postal Service is canceling all Saturday mail delivery on said date. It should be noted that newspapers are delivered to the facility seven days a week and are delivered every day to the residents with newspaper subscriptions. • The facility met with the Resident Council on 1/29/2013 for their regular monthly meeting. The Activity Director reviewed of Resident Rights, including mail delivery, with the residents in	<i>2-28-13</i>

F 170	Continued From page 3 revealed no mail was delivered at the facility on Saturdays as that department didn't work on Saturdays. Resident #84 further stated it would be nice to get mail on Saturdays especially around the holidays when she gets cards in the mail. On 01/29/2013 at 3:30 PM the Activity Manager revealed one of her responsibilities was to deliver mail to the residents. She confirmed her department carried out mail delivery to the residents Monday through Friday. She stated no one from the facility went to collect the mail from the main post office on Saturdays. On 01/30/2013 at 11:00 AM in an interview the Administrator revealed there was no mail delivery to the residents on Saturdays. She noted there was a mailbox present at the facility however the Postal Service delivered the mail to the facility post office box with occasional items coming to the facility mailbox. The Administrator confirmed there was no designated staff member in place to collect mail from the Post Office and bring it to the facility on Saturdays.	F 170	attendance. There were no identified concerns of residents not receiving mail on Saturdays. • Measures put in place to ensure that the alleged deficient practice does not recur include: Activity Director will work every Saturday to ensure that mail is delivered. The Administrator will check with Resident Council members monthly to ensure their continued satisfaction with mail delivery. The Activity Director will document residents' satisfaction to mail delivery in the Resident Council minutes. • The Administrator and Activity Director will review the findings of the monthly Resident Council meeting minutes, monitor the effectiveness of the above action plan for the right to receive mail in the monthly QAPI meeting and adjust the plan as indicated in the QAPI meeting monthly for 3 months.		
F 272 SS=D	483.20(b)(1) COMPREHENSIVE ASSESSMENTS The facility must conduct initially and periodically a comprehensive, accurate, standardized reproducible assessment of each resident's functional capacity. A facility must make a comprehensive assessment of a resident's needs, using the resident assessment instrument (RAI) specified by the State. The assessment must include at least the following:	F 272	F 272 Corrective action was accomplished for the alleged deficient practice in regards to cognitive assessments by completing modification of the MDS assessments for Residents #31, # 85,	<i>2-28-13</i>	

Preparation and/or execution of this plan of correction does not constitute admission or agreement by the provider of the truth of the facts alleged or conclusions set forth in the statement of deficiencies.
