Material Related To

Intermediate Care Facilities for the Mentally Retarded
For the Final 2009 SMFP

October 8, 2008

**Summary of Agency and Staff Recommendations
to the Long-Term and Behavioral Health Committee
for the September 26, 2008 Meeting
related to Chapters 17 of the Final 2009 SMFP**

Recommendations Related to Chapter 17, Intermediate Care Facilities for the Mentally Retarded (ICF/MR):

- Revised Tables for Chapter 17: In July 2008, Foothills local management entity (LME; Planning Area 3) merged with Smoky Mountain Center LME (Planning Area 1). The Final 2009 State Medical Facilities Plan will include updated Tables 17A, 17B, and 17C, which will reflect the combined inventory for Smoky Mountain Center LME, and the LME names in place of the Mental Health Planning Area numbers. These revisions do not affect need determinations, and therefore, are not included in this packet.
- Through the standard methodology, it is determined that there is no need for additional ICF/MR beds anywhere in the state.
- There were no petitions related to Chapter 17.
