

CHAPTER 16:

Substance Abuse Inpatient and Residential Services (Chemical Dependency Treatment Beds)

The following are draft materials related to projected Substance Abuse Inpatient and Residential Service Need Determinations for the proposed 2011 Plan

Table 16A Inventory of Chemical Dependency (Substance Abuse) Beds, Excluding State Facilities

Table 16B 2013 Projection of Chemical Dependency (Substance Abuse) Treatment Bed Need By Mental Health Planning Region

Table 16C Year 2013 Need Determination for Adult Chemical Dependency Treatment Beds (Scheduled for Certificate of Need Review During 2011)

Table 16D Year 2013 Need Determination for Adolescent Chemical Dependency Treatment Beds (Scheduled for Certificate of Need Review During 2011)

Based on application of the current methodology and utilization information, there could be need determinations in several Local Management Entities.

Note: Figures are entered for the 2011 Plan from the North Carolina Department of Health and Human Services, Division of Health Service Regulation, Mental Health Licensure and Certification Section; Division of Mental Health, Developmental Disabilities and Substance Abuse Services, Acute and Home Care Licensure Section; and the Certificate of Need Section. Further, the data provided on the following pages is preliminary and is subject to change throughout the planning year.
