

Acute Care Services Committee Meeting

May 19, 2020

Time: 10:00 a.m. – Location: WebEx

All members of the public join the meeting via a Cisco WebEx Audio Conference Call. You do not need to have WebEx installed on your device.

Call the number below and enter the access code.

US Toll: 415-655-0003

Access code: **613 999 010**

Your phone number will not appear to the other members of the audience. The host and panelists can see the area code and first three digits only.

If you get disconnected during the meeting, call back. Reportedly, WebEx is having system-wide bandwidth issues.

Please email Amy Craddock (amy.craddock@dhhs.nc.gov) to register your attendance at the meeting.

As members of the audience, you will be able to listen to the meeting, but will not be able to participate in the discussion. This is the same as at a public meeting under the usual circumstances.

You will need to access documents discussed in the meeting via the Healthcare Planning web site (<https://info.ncdhhs.gov/dhsr/mfp/meetings.html#acs>).

Even though we are meeting remotely, the meeting will be recorded as usual.
