* Acute care beds in the "Adjustments for CONs/Previous Need" column are to be converted to inpatient psychiatric beds. This conversion is exempt from certificate of need review, pursuant to G.S. § 131E-184(c).

** DOC data reported to HIDI and DOC data reported on the Division of Health Service Regulation's Hospital LRA have a greater than ± 5% discrepancy between the two data sources.

^ Washington Regional Medical Center was unable to report its 2025 DOC data to HIDI. Therefore, the need methodology calculations uses the DOC reported on the facility's 2026 LRA.

^^ Charles A. Cannon, Jr. Memorial Hospital received a grant from the Dorothea Dix Hospital Property Fund to convert 27 acute care beds to adult psychiatric beds. This project is exempt from certificate of need review. Seventeen acute care beds have been converted to adult psychiatric beds, and these beds are accounted for in Table 5A.

+ Iredell Davis Regional Medical Center (previously Davis Regional Medical Center) has converted to a behavioral health facility, and it did not serve acute care patients during the 2025 reporting y

Note: The decimal part of a number resulting from a calculation is not displayed, but it is used in subsequent calculations. Therefore, calculated totals may not be identical to displayed totals.
