RE: Letter of Support for Inpatient Hospice Bed Special Need Petition of Lower Cape Fear Hospice for New Hanover County

Dear Mr. Smith,

I understand that the Proposed 2011 State Medical Facilities Plan has identified a deficit of 3 inpatient hospice beds in New Hanover County. I am writing to express my support of Lower Cape Fear Hospice & LifeCareCenter's petition, to establish an adjusted need determination of 6 inpatient hospice beds in New Hanover County.

Lower Cape Fear Hospice has operated their Hospice Care Center at over 101%, for the past year. As a provider in New Hanover County working with them over the years, they have my complete support concerning this matter.

Sincerely,

Russell D. Herring
