

Need Determination

Application of the standard methodology for the North Carolina 2015 State Medical Facilities Plan determined the need for ~~37~~ 76 adult chemical dependency (substance abuse) beds, as shown in Table 16C below. There is no need anywhere else in the state and no other reviews are scheduled.

**REVISED – Table 16C: Adult Chemical Dependency (Substance Abuse)
Residential Treatment Bed Need Determinations**
(Scheduled for Certificate of Need Review Commencing in 2015)

This revision reduces the projected need in the Central Region to 12 beds from 51 beds, as previously shown in the 2015 SMFP for review beginning June 15, 2015.

It is determined that the mental health planning regions listed in the table below need additional adult chemical dependency treatment beds as specified.

Mental Health Planning Region	HSA	Adult Chemical Dependency Treatment Bed Need Determination*	Certificate of Need Application Due Date**	Certificate of Need Beginning Review Date
Eastern Region	V, VI	25	June 15, 2015	July 1, 2015
Central Region	II, III, IV,V	12	June 15, 2015	July 1, 2015

It is determined that there is no need for additional adult chemical dependency treatment beds anywhere else in the state and no other reviews are scheduled.

* Need determinations shown in this document may be increased or decreased during the year pursuant to Policy GEN-2 (see Chapter 4).

** Application due dates are absolute deadlines. The filing deadline is 5:30 p.m. on the application due date. The filing deadline is absolute (see Chapter 3).
