

1 10A NCAC 14D .0207 is proposed for adoption as follows:

2

3 **10A NCAC 14D .0207 DINING ROOM**

4 (a) An adult day care program offering overnight respite care services shall have a dining room or area of at least 20
5 square feet per person. The dining room may be used for other activities during the day. This area may be shared
6 with the adult day care program activities and craft areas if the adult day care program requirements are met.

7 (b) When the dining area is used in combination with a kitchen, an area five feet wide shall be allowed as work
8 space in front of the kitchen work areas. The work space shall not be used as the dining area.

9 (c) The dining room shall have operable windows and be lighted to provide 30 foot candles of light at floor level.
