I write on behalf of the North Carolina Adult Day Services Association in support of the repeal of 10A NCAC 14D .0101.

The Overnight Respite pilot has been a success in North Carolina. As a result, families and caregivers are anxious to expand to other areas of the state. The pilot has been extended to 2017 by the General Assembly. Under additional pending legislation, the program could be made permanent. Repealing the sunset would allow the regulations to become permanent in accordance with the legislation.

The Association sincerely appreciates the Division's prompt attention to this matter.

Sincerely,

Teresa Johnson  
Executive Director, North Carolina Adult Day Services Association
