Subject: Changes to the rules

Martha, a quick question about the rule changes. What are your thoughts about the rule at 2202(b) (8)? I can't remember why this rule was added, but it seems like it was added for a reason. I believe this goes back to when Lee Hoffman was Chief, so it has been a while. I'm certainly ok with this going away, but I believe there might have been some hospitals, or a hospital behind the rule.

Just food for thought. And again, I don't think BMA will have any objections.
