Subject: Suggested Changes to EMS and Trauma Rules

After further review and internal comments from OEMS staff the following technical changes are recommend:

- .0101 Delete (26) SMARTT, the same was deleted from the .0102 Definitions selection since it is outdated.
- .0410 Add "inspections" after Subchapter, in line 13 of (d)(2) to clarify.
- .0503 Add "EMT," which was inadvertently left out.
- .1507 "Student" is listed twice in (b)(22), remove one.

Thanks,

Wally Ainsworth, Paramedic
