

**10A NCAC 13D .2107   SUSPENSION OF ADMISSION**

- (a) The Department may suspend the admission of new patients to a facility when warranted pursuant to G.S. 131E-109(c).
- (b) The Department shall notify the facility personally or by certified mail of the decision to suspend admissions. Such notice shall include:
  - (1) a reference to the statement of deficiencies that contains the facts;
  - (2) citation of statutes and rules alleged to be violated; and
  - (3) notice of the facility's right to a contested case hearing on the suspension.
- (c) The suspension is effective on the date specified in the notice of suspension. The suspension shall remain effective until the facility demonstrates to the Department that conditions are no longer detrimental to the health and safety of the patients.
- (d) The facility shall not admit new patients during the effective period of suspension.
- (e) Patients requiring hospitalization during the effective period of suspension of admissions shall be readmitted after hospitalization, or on return from temporary care to the facility, based on the availability of a bed and the ability of the facility to provide necessary care. Upon return from the hospital, the requirements of G.S. 131E-130 apply.
