

10A NCAC 13P .0502 INITIAL CREDENTIALING REQUIREMENTS FOR MR, EMT, EMT-I, EMT-P, AND EMD

(a) In order to be credentialed as an MR, EMT, EMT-I, EMT-P, or EMD, individuals shall:

- (1) Be at least 18 years of age.
- (2) Successfully complete an approved educational program for their level of application. If the educational program was completed over one year prior to application, applicants shall submit evidence of completion of continuing education during the past year. This continuing education shall be based on the educational objectives in Rule .0501(c) of this Section consistent with their level of application and approved by the OEMS.
- (3) Successfully complete a scope of practice performance evaluation which uses performance measures based on the cognitive, psychomotor, and affective educational objectives in Rule .0501(b) of this Section and which are consistent with their level of application and approved by the OEMS. This evaluation shall be conducted under the direction of the educational medical advisor or a Level II EMS Instructor credentialed at or above the level of application and designated by the educational medical advisor, and may be included within the educational program or conducted separately. If the evaluation was completed over one year prior to application, applicants must repeat the evaluation and submit evidence of successful completion during the previous year.
- (4) Successfully complete a written examination administered by the OEMS or a written examination approved by OEMS as equivalent to the examination administered by OEMS.

(b) EMD applicants shall successfully complete, within one year prior to application, an AHA CPR course or a course determined by the OEMS to be equivalent to the AHA CPR course, including infant, child, and adult CPR.
